Junior Golf School 2017

Junior Golf School

Lessons at Redbourn Golf Club are great fun and are delivered through England Golf Partnership's official learning programme for young people.

Junior Golf Passport is for children aged between 6-12 years, endorsed by the PGA. The multi-layered programme progresses a complete beginner golfer into a junior golfer ready for membership at a golf club.

The programme has 3 key levels:
START, LEARN and PLAY.

- START level is all about fun and an elementary introduction to golf.
- LEARN level is a move towards technical instruction through games based learning, always with the emphasis on fun.
- PLAY level teaches your child to apply their learning to the golf course, preparing them for potential club membership and competition.
