

'Learn Golf in a Day' Package

Golf is an incredibly social game and a great way to meet new friends, but if you haven't played before or your game is a bit rusty, this crash course at Redbourn golf club will get you up to speed and help you avoid the bunkers and double bogeys. The day is split into four parts and you'll be grouped with other golfers of a similar standard. During the day you'll embark on a one-hour swing class, a 45-minute chipping and putting lesson, a 45-minute pitching and bunker lesson and a one-hour intro to the golf course. Begin the day with a friendly introduction with a Danish and coffee, end the day with a performance review and enjoy a tasty lunch in between. Simply choose a date and get your golf game up to par.
